Lucy's Story: Autism and Other Adventures

By Lucy Blackman, Anthony Attwood

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Lucy's Story: Autism and Other Adventures, Lucy Blackman, Anthony Attwood, Born with Autism, Lucy could not understand much of what was said around her. Her own language came later from newspapers and books. She created stories and poems in her head from the words she had read. As an adult she still barely speaks. In her teens she started using a keyboard with someone touching her arm, but that was not a substitute for ordinary speech. Lucy's language had developed in a world of her own making in which she had never passed on information to someone else. Even today she does not answer questions in the same way as other people. Lucy's ambition was to write a book. She went to High School. She wrote letters and essays, learnt how to explain herself and began to create characters in her stories. While writing she started to understand her own autism, and through that understanding she came to type on a computer with no physical support to complete her BA (Hons) in Literary Studies. An essential resource for anyone interested in autism, sensory issues, augmentative and alternative communication (AAC), language and...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dana Hintz**

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
