Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WOMEN WHO LOVE TOO MUCH

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Women Who Love Too Much, Robin Norwood, Is having 'somebody to love' the most important thing in your life? Do you constantly believe in Mr Right, and that being with him would guarantee you would no longer feel depressed or lonely? Are you bored with 'nice guys' who are open, honest and dependable? If being in love means being in pain, this book was written for you. Leading relationship and marriage therapist Robin Norwood describes loving too much as a pattern of thoughts and behaviour, which certain women develop as a response to problems from childhood. Many women find themselves repeatedly drawn into unhappy and destructive relationships with men. They then struggle to make these doomed relationships work. This bestselling relationship self-help book investigates and reveals how powerfully addictive these unhealthy relationships are - but also gives a very specific programme for recovery from the disease of loving too much, a problem that plagues women everywhere.
