One Hit Wonders is a complete introduction to the music industry from the initiation of production to distribution of the final product. Each chapter is related to a popular film about the industry, making the content student-friendly and highly accessible and creating a cycle of fictional rock cinema linked to informative text. One Hit Wonders teaches students that the music industry is more than a business; it's an experience. The book is written for courses in music industry management and production. It can also serve as a supplemental text for courses in popular culture and contemporary music appreciation. Murray Krugman is a graduate of Wesleyan University and Vermont Law School.
