

The Island of Dr. Moreau

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

(Lorenz Vandervort)

Penguin Putnam Inc, United States, 2014. Paperback. Book Condition: New. Reissue. 168 x 104 mm. Language: English . Brand New Book. A lonely island in the Pacific. The sinister scientist who rules it. And the strange beings who dwell there This is the scenario for H. G. Wells s haunting classic, one of his most intriguing and visionary novels. Living in the late nineteenth century and facing the impact of Darwin s theory of evolution, Wells wrote this chilling masterpiece about the characteristics of beasts blurring as the animals turn into men. Dr. Moreau, a scientist expelled from his homeland for his cruel vivisection experiments, finds a deserted island that gives him the freedom to continue torturous transplantations and create hideous creatures with manlike intelligence. But as the brutally enforced order on Moreau s island dissolves, the true consequences of his experiments emerge, and his creations revert to beasts more shocking than nature could devise. A genius of his time, H. G. Wells foresaw the use of what he called the atom bomb, the practice of gene-splicing, and men landing on the moon. Now, when these have become part of everyday life, his dark fable serves as a compelling reminder of the horrors that reckless experiments with nature can produce. With a New Introductionby Nita A. Farahanyand an Afterword by Dr. John L. Flynn.
